**2021 Fees & Reservations: Sponsoring Stakes - \$135    Non-Sponsoring Stakes/Groups - \$175**

- We provide a five-day, cumulative program. We are not a day camp. Campers arrive on Monday morning and plan to stay through Friday. Early departure is only for extenuating circumstances (i.e. funerals). Exceptions must be pre-arranged through the Brighton Presidency.
- We ask that stake campers sign up with their own stake, even if they are attending with another group or another week. Campers need the signature endorsement of their own Bishop and YW Leader to register.
- Trades & Waiting lists: ALL campers trading dates after April 24<sup>th</sup> will be placed into free spaces according to the order of their request. If a stake camper cancels, they cannot automatically be replaced by another stake camper. Please contact me to see if there is a waiting list for that week. All campers must go to the end of the wait list if there is one for their desired week.
- Cut off for all online entries, signatures and payment is one week before camp. No registrations are accepted at the bus. We do our best, but bunkmates adjustments are not guaranteed when requested within days of camp.
