

WARD LEADERSHIP INFORMATION

2021 Brighton Girls Camp

Ward Young Women Leaders:

- **Your stewardship:** You are the **liaison** between the ward families and the stake representative.
- **Role:** Learn the registration process. **Review the Brighton Policies.**
You **disperse information** and answer questions from campers and families.
You ensure all young women from your ward have the information they need!
- **Duties:**
 - Make sure all young women receive the registration checklist, signature form and the online link. They can register from home or with your help.
 - **Gather all signature forms from your ward and verify bunkmate pairings. Staple together the signature forms for each pair.** When completed, turn in all signature forms to your Stake Brighton Representative.
 - **Follow up** with families and the ward clerk to ensure that all payments have been made, and that the **ward payment** has been made to the stake by the deadline. **No later than April 10th.**
 - Non-member YW may attend with your ward, if space permits. Please provide her parents with the Brighton registration information and registration link, and review with them all standards in *For the Strength of Youth* pamphlet.

Ward Clerks:

- All families are to make \$135 payment to the ward. When all payments are received, a single ward payment is made to the stake for the total number of girls from your ward.

Ward Young Women Leaders:

- **Young Women leaders, please read the Brighton Policies.**
- Your signature is an **acknowledgment** of each Young Woman who will be participating in Brighton Girls Camp. Help them prepare for camp as directed by the spirit.
- For any nonmember YW attending with your ward, your signature confirms that you have reviewed with the family the Brighton policies and standards as outlined in *For the Strength of Youth*.
- **Contact us with concerns regarding a young woman's readiness, behavior or health needs as soon as possible.** It is easier on the camper to address and resolve readiness concerns early on, rather than right before camp. (Contact President Barbara Schmidt at 801-915-9660.)

Bishops:

- **Your signature is an acknowledgment** of each young woman from your ward who will be participating in Brighton Girls Camp. Help them prepare for, and report on, camp as directed by the spirit.
- Please contact us directly to discuss any possible family, behavioral, or readiness concerns prior to her attendance. We appreciate all information to best host the young woman, and to prepare and support our staff. (Please contact President Barbara Schmidt at 801-915-9660.)
